Once each person identifies areas of personal growth, they may ask for ways to develop that area in their life. Here are some suggestions:

- 1) Pray daily about the area. “Lord, help me to be _____ today.”
- 2) Identify some specific goals.
- 3) Read a book about the topic – pick up a book about prayer, strengthening your marriage, etc.
- 4) Do a Bible search / study regarding a topic. Discover what God’s Word says about meditation, peace, etc.
- 5) Identify roots of sin that prevent growth in an area
- 6) Meet with small group leader or other believers to discuss how to grow in that area
- 7) Journal the journey – struggles, victories, teachable moments, etc.
- 8) Trust God to sanctify you and form you into the image of Jesus Christ
